DETAILED ACTION

1. In the office action of June 22, 2007, applicant requested the examiner to re-consider the restriction requirement and rejoin the process claims with the apparatus claims. During allowance conference with the examiner's Supervisor, the Supervisor requested the examiner to maintain the restriction requirement. The apparatus claims are allowable. The method claims non-elected will be canceled by Examiner's Amendment.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Paschall on August 29, 2007.

The application has been amended as follows:

In the Claims:

Delete Claims 1-6, 19 and 20 in their entirety.

3. The following is an examiner's statement of reasons for allowance: An FCC stripping apparatus includes a vessel containing a stripping section an entrance into the vessel for passing particles that contain hydrocarbons; and a structured packing in the vessel, the packing comprising a plurality of corrugated ribbons, each corrugated ribbon at least partially obstructing passage of the particles and each corrugated ribbon having at least two faces angular to each other, and the edges of adjacent ones defining openings for the passage of particles. The packing structure as claimed within the FCC stripping section of the apparatus has not been taught or fairly suggested either singularly or in combination by the prior art.
